

Process for joining eduGAIN

Please see the [eduGAIN Information Pack](#) for full details.

The steps in the process to join eduGAIN (as either IdP or SP) are:

- Organisation signs the [Connect to eduGAIN form](#)
- For an IdP to join eduGAIN:
 - Run the latest IdP software
 - Declare support for R&S
 - Declare SIRTFI and provide SIRTFI contact
 - Provide a logo representing the organisation
 - Consume eduGAIN metadata
 - Release attributes to eduGAIN services

Please see [Configuring an IdP for eduGAIN](#) for full details.
- For an SP to join eduGAIN:
 - Run the latest SP software
 - We recommend declaring R&S where applicable.
 - We recommend declaring SIRTFI
 - Provide a logo representing the service
 - Provide a page with further information about the service (InformationURL)
 - Consume eduGAIN metadata
 - Record requested attributes in Federation Registry
 - Configure Discovery for eduGAIN

Please [Configuring an SP for eduGAIN](#) for full details.
- Finally, send the [Request to join eduGAIN](#) to Tuakiri/REANNZ.
